**Chateaubriand STEM Fellowship Virtual
Presentation**

Application Period

October 13th - January 16th

Please join us for an information session about the Chateaubriand Fellowship for STEM on October 13th, 2022.

The Chateaubriand Fellowship allows American doctoral students to stay in France for a period of 4-9 months. It aims to initiate or reinforce collaborations or join projects between French and American research teams.

Prospective applicants, professors, and administrators are all welcome to attend.

The information session will take place virtually at 12:00pm EST on zoom. A registration link for the event [can be found here](#).

We hope that you will be able to join us!

If you have any questions, please feel free to reach out to the Chateaubriand STEM Program Manager, Richard Burke, at assistant.dc@ambascience-usa.org.

The Chateaubriand Website can also [be found here](#).
