

French Government funded Chateaubriand STEM Fellowship.

Available to US University PhD
students

CHATEAUBRIAND

Chateaubriand STEM Fellowship Virtual Presentation

Application Period

October 13th - January 13th

Please join us for an information session about the Chateaubriand Fellowship for STEM on December 8th, 2022.

The Chateaubriand Fellowship allows doctoral students studying at American universities to stay in France for a period of 4-9 months. It aims to initiate or reinforce collaborations or join projects between French and American research teams.

Prospective applicants, professors, and administrators are all welcome to attend.

The information session will take place virtually at 2:30pm EST on zoom. A registration link for the event [can be found here](#).

We hope that you will be able to join us!

If you have any questions, please feel free to reach out to the Chateaubriand STEM Program Manager, Richard Burke, at stem.coordinator@chateaubriand-fellowship.org.

Chateaubriand
Fellowship Program

François-René de Chateaubriand: French writer and diplomat (1768-1848)
